Remember that one item or a bag of items make a difference. Thank you!

**From the Interim Associate Pastor
Rev. Walk Jones**

I got my second COVID vaccination this week. Once I've waited the proscribed 14 days for it to take effect, I will be out visiting members as I can. I'm grateful for the shot and a turn to a new normal in our community and in church. Pastor Ron has also received his shots.

It is still time to wear a mask and give waves or fist bumps, before washing my hands, but it feels good to be rounding third and heading for home (to use a baseball metaphor). But I've seen a lot of baserunners thrown out in the last steps past 3rd. As I have said before, it is still the time to be vigilant against the COVID-19 bug.

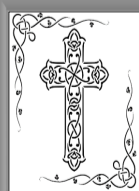

I am praying for your health, safety, and welfare. Please continue to be careful as we make our way through the wilderness.

SERMON BY PHONE (352) 342-9814 *New sermons each Monday*

FPC gives thanks for the life of **Hank Fleming** who passed away on April 11, 2021. The family is planning a private graveside service. You may send notes of condolence to his wife, Maranell, their son Scott or Hank's sister-in-law Gera Fleming, at their addresses in the church directory.

With believers of every time and every place, we rejoice that nothing in life or death can separate us from the love of God in Jesus Christ our Lord.
