

## This week at FPC June 17—June 23, 2021

Dear Friends,

I hope the beginning of your summer is eventful in a good way. I have enjoyed walking mask-less into Publix. Not everyone is able to do so. Some do not feel comfortable doing so even if they have received the vaccine. Life is getting back to normal but slowly. I imagine we will still be assessing the changes that have happened to us while we were "asleep," if you will.

But the good news is this: God is the same today, yesterday, and in the future. God's goodness and grace sustain us in all times. If you travel, I pray for your safety. I would urge you all to make preparations for storms as they are already churning. Yes, we usually see the worst of them later in the summer but it is good for us to be prepared with fresh water and batteries and full tanks of gas and plans to do without electricity for a time. If someone has moved near you who is a new resident of Florida, I urge you to talk to them and calm them.

May God's peace sustain you,  
Ron
