

## This Week at FPC

May 7—May 13, 2020

Dear Friends in Christ,

After its meeting Tuesday night, the session determined that the church will not reopen for worship services at this time. The session did not set a date for reopening, but did decide that we will meet again to discuss the situation as it evolves. We did receive a plan by the worship committee for what opening might look like when we get the opportunity. When the decision to reopen is made, we will let you know. It is a privilege for me to work with a talented and Christ-committed staff to worship with you virtually every week on YouTube. I am thankful for those you see on screen and those working behind the scenes. We will continue to produce our virtual worship service for the time being.

Like you, we, your church staff, want to go back to having church in person. When we do go back, we will welcome our new choir director, bell director, and children's choir director, Phyllis Von Ebers. Her selection by the music search committee was confirmed by the session this week. We will be introducing Phyllis soon. You may know her as the keyboard player in the contemporary service! She will begin her work when we add volunteer groups (choir, bell choir, etc.) back into worship.

Online giving has been approved by the session and is online today. You may still mail in pledges or drop them off at the church office through the mail slot if you wish.

Once again, I ask you to go to our YouTube web page and subscribe. Just search First Presbyterian Church Ocala YouTube, click on the church icon and click subscribe. That way, whenever a new video is made, it will come straight to you. You may also continue to access our programs through the website. Do whatever works best for you!

"Be strong and of good courage. Fear not nor be dismayed, for the Lord God is with you!" -Joshua 1:9

Peace to All, Ron

**Online Giving is now available on our website: [FPCOCALA.org](http://FPCOCALA.org)
